### **About Franklin & Seidelmann**

Franklin & Seidelmann is a leading, national full-service radiology provider offering high quality final subspecialty and ED reports. F&S provides clinically specific, detailed reports and consultative services that enable clients to improve referring physician satisfaction and increase referrals and revenue while optimizing radiologist staffing costs. The F&S team of more than 100 radiologists, who combined are licensed in 50 states, includes: board certified musculoskeletal, neuroradiology, body, cardiac, ED and breast MR specialists with advanced modality training. F&S utilizes a sophisticated in-house technology platform to distribute images and reports. Founded in 2001 by pioneer subspecialty radiologists, F&S is located in Cleveland, OH with 250 clients and more than 100 non-physician employees.
